

King County Parks **Your** King County **Big Backyard**

Summer Volunteer Fun

Bring the family and friends and help a restoration project by removing weed fabric or weeding a project. Our restoration projects are focused on restoring stream and wetland buffer habitats for fish and wildlife and improving water quality. In addition, volunteer at our King County Nursery by transplanting the seedlings for our restoration projects.

Join us on a **Saturday, from 9:00AM to 1:00PM**, or if you have a group that wants to work during the week or on a weekend, give us a call to arrange an event. To sign-up and get directions, or for more information, call **Tina Miller at 206-296-2990** or e-mail at tina.miller@kingcounty.gov

Transplant Native Trees and Shrubs at the King County Greenhouse and Nursery

- June 26th

Help Maintain Restoration Projects

- **June 19th** - Log Cabin Natural Area along Issaquah Creek near Issaquah
